Most UNM graduates who responded to the survey were able to find employment in their field of study. (Bachelors: 528 respondents, Masters/Doctorate: 301)

The UNM Job Fair was the most popular of UNM Career Services’ programs used by responding graduates.

Masters and Doctorate students who used professional contacts in their job search and Bachelors students who participated in internships had the highest median starting salaries.

Source: UNM Career Services Office Graduate Survey.

The vast majority of respondents were satisfied with how their degree prepared them.
